

2004 Teacher Training Workshops at Sedge Island NREC

The New Jersey Division of Fish & Wildlife offers an extraordinary learning experience for teachers at its Sedge Island Natural Resource Education Center (NREC). The focus of this 2-night workshop is to increase awareness and understanding of natural resource management and environmental issues facing New Jersey. Through hands-on activities and living a conservationist lifestyle, teachers will leave with a deeper understanding of the entire ecosystem and be able to incorporate that into the classroom.

Location: Sedge Island, off of Island Beach State Park in Barnegat Bay, Seaside Park, NJ

Facility: Sedge House: 7-bunk rooms—each with 1 bunk bed (you will have to share a room), full kitchen, dining room common room; upper deck; Clivus Multrum Composting Toilet

Professional Development Credit: Fulfills core curriculum standards in science and social studies

Cost of Workshop: \$100.00, includes transportation to and from the island, instruction, equipment, lodging, facility use, and meals

How To Register: To register for one of the workshops, please fill out the form below and return it with your check for \$100.00, made payable to **NJ Division of Fish & Wildlife**. Upon receipt of your registration form and check we will send a registration packet to you, which will provide you with a detailed list of what you need to bring, a medical waiver, and additional information.

YES! I am interested in attending the Teacher Training Workshop at Sedge Island NREC for the date I have selected.
